

antenas/antenas.h

```
graph TD; A[antenas/antenas.h] --> B[stdio.h]; A --> C[stdlib.h]
```

The diagram illustrates a header file dependency. At the top, a dark gray box contains the text 'antenas/antenas.h'. Two blue arrows originate from the bottom edge of this box and point downwards to two separate light gray boxes. The left box contains 'stdio.h' and the right box contains 'stdlib.h'. This visualizes the concept that the 'antenas/antenas.h' header file includes both 'stdio.h' and 'stdlib.h'.
